“ *I want to convey special love and condolences to all the family. Special memories of Lewis and his wife and daughter are forever with me. I often was to sit by Lewis and Betty Jo in Sunday School over many years, and even though I haven't seen Robin in all the years since she was in her late teens, I remember extremely well her joyful personality and spirit. Robin....I still picture you as that happy teenager! I can imagine your children, simply because they are YOUR children, and that thought definitely can induce me to smile big! I understand loss, and you have my empathies in full....each of you who grieve now for Lewis! ~~~ Joyce (Thirkell) Delk of Summerville.*

You have been so thoughtful and kind throughout your lifestyle representing Father in love as His beautiful minister. My parents adore you, my friend. I will always remember our jovial conversations by the hall water fountain. Laughter does fill our home blessed by Father indeed. Prayers always my friend.
