“ *Sarah, praying for you and your entire family. Liam was such a joy to watch running around and playing, his little face will be missed. He was such a free spirit running around in his diaper and bare feet. I watched your mom and dad out the front door chasing him around and loving that sweet boy. He will truly be missed, find comfort in those memories. There are no words to express the heartbreak we all feel and how my heart is broken for you and your family. Remember absent from the body is present with the Lord, he is your little angel smiling down on you all.*
