“ *John and I send our love and prayers during this difficult time. We have always thought a lot of your family. It was Mrs. Lillie who allowed me to get back in contact with my father, Ted Bryant, after many years of estrangement. I will always be thankful for that. May God give you peace and strength for the future. Love, Sandy and John Parker*

“ *I remember how you always wanted to feed me every time I was there, even when I was young and visitng Crystal. Also remember you breaking into our phone calls asking if I had chores, because Crystal did, and she could not stay on the phone all day. Remember being at your house so much. It was my second home when I was young. I always felt welcome.*
