“ I met Linda a few years back during Wiley Johnson's campaign for Mayor of Summerville. We were women working to support his endeavor. We had frequent meetings. Linda was an active contributor yet at the same time a quiet observer. She impressed me as being giving and generous. She always brought refreshments she had made to our meeting - sliders, baked goods, all of which were delicious! I acquired some of her recipes. I will remember Linda with affection & sweet memories.

“ Linda was our cousin and a very dear friend. She was one of the most thoughtful and generous people we have ever known, and we were blessed to have spent a great deal of time with her during the last many years.

Linda made the world a better place and will be greatly missed. She had an incredible, award winning career and made friends everywhere she went.

Our love and sympathy are with Grainger and his family. May God surround you with his love during this difficult time and comfort you with cherished memories in the days ahead.

“ Dear Grainger, Debbie, Stacie, Wendy (Greg and Caleb), I just heard this morning about Linda and my heart is broken. We have been friends for 47 years. There were so many wonderful memories in all those years, and I am so blessed that we were the best of friends! I spoke with her about 3 weeks ago and as always, it was a special time of sharing. I am so thankful that she was a part of my life for so many years; I will always cherish those times. Grainger and family, my heartfelt sympathy to you. May GOD hold you ever so close and embrace you with HIS love. She is with her Mom and Dad and Trey now and one day you will all be together. Let that thought bring you great joy and comfort.

“ Linda was a caring and loving friend who will be greatly missed by all who knew her. Truly great friends are hard to find, difficult to leave and impossible to forget. I spoke with Linda a few weeks ago and I cherish the wonderful times we shared. Rest well Linda. I thank God he allowed our paths to cross in 1985 when we were part of a 3 -1/2 month contracting review at Mechanics burg, Pa. Since that time we have remained friends, travelled together on many contracting and small business inspections throughout the states, visited each other's home, I will always cherish our trips to The Amish in Lancaster County where Linda loved the sweet and sour beets and ham which she told me was ordering. May the comfort of God help her family and friends through this difficult time. A great soul has left this earthly life and will be deeply missed until we meet again..
