“ Linda & I had a 50 yr friendship. We lived across the street from one another in navy housing in 1971 and we never looked back. Our husbands Wayne Gay and Mike Fogarty were on the same submarine opposite crews and they were fishing buddies until my husbands death 2020. We always stayed in touch, we ended up retiring 3 hours from each other. We loved visiting each other, talking on the phone, crossstitching (each of us for 50 yrs). We spent many an hour rocking on her great front porch drinking our hot or iced coffee watching nature outside. You will always be in my heart Linda. Rest In Peace my dear friend. Love always Judy

Wayne, when Judy called me and told me about Linda's death it took me a moment to realize what she was really saying. Steve and I are so sorry for your loss and we have been praying for you and your family. Linda was such a sweet lady. We would text or call and talk about the latest cross stitch we were working on. The home made greeting cards she made were so much better than you could buy in the store, because Linda made them herself ,so that made them special to me when I recieved them .I 'm so thankful for Judy and Linda's friendship and you and Mike's friendship a long friendship like that is rare and a blessing. RIP Linda 🙏
Our thoughts are with you.

“ *Mrs Linda is what I called her ... I believe my parents starting hanging out with Mrs Linda and Mr Wayne in the early 70's. We use to go to their house to get water for coffee since the water smelled so bad here in Goose Creek.*

They use to boat with us...I have known her for a long time. I was lucky to run into her a few times since I was an adult! Mrs. Linda thanks for always being so nice to me and my family! You will be missed by many!
