My Mom was a great cook and the dumbass shit you were told about her baking my oldest sister a cake and left the wax paper on it and Mom made homemade chocolate icing for Christy's birthday!!! Also about the rice was a nother story about making ham rice for both of my uncles but my Mom was learning at that time umpteen dozen years ago. My sister and brother have no idea what my Mom did because initially, they didn't take care of her or give a shit about my mother!!!!

“ To a loving Sister, Mother and Nana who will be loved and missed forever. I will really miss our talks and visits. Since our parents passed, she always made the holidays and special occasions very important and special. We will always carry on her tradition and have GREAT memories that we can look back on for a good laugh. Thank-you for bringing laughter into our lives over the years.

Enjoy your swimming, diving and basketball. You were also a GREAT lifeguard around the pool as well. Again, always wanting to protect and look after everyone while having fun!!! We love and miss you so very much already and forever!!!

*Love Always and Forever,
Steve and Pam Bustle*

“ *Ricky, Steve, Christy, David, Ryan and Grandchildren,*

Our hearts, thoughts, and prayers are with all of you with the loss of such a wonderful sister, mother, aunt and grandmother as your dear Linda. It was such a wonderful life growing up with the Bustle family in Shepards Park back in the day. Memories that can bring smiles to all of us. I always enjoyed the times I would babysit Christy, David and Ryan and watching you all grow up and start your own families. I miss running into Christy and Linda around town. Rejoice in all the memories that you have as it will sustain you in the years to come. God is with you always. Sincerely, Joye Hartmann Sott
