“ My memory of Linda: I remember how happy you were when I took you to get your driving license. I remember when we visited Dallas and you, you always had a nice dessert for us. I remember when you and Dallas came to visit us in Maryland and you canned tomatoes. You told me I should remove the white spot out an egg. That's being raised on a farm. LOLI remember when you baked a delicious Japness fruit cake for me. I remember when you and Dallas were so happy to tell us y'all were going to be parents. I remember how happy you were to be a Mother. I remember your love for your dogs and cats. I remember your love of plants. There is a bush growing in her yard that came from the roots from my yard in C.T.I remember Dallas and you coming to every family function and your pictures taking of all of usAs you see you will never be forgotten. You will live in our hearts.So sorry Brother for your loss. Give your Dallas a big hug for meLove you more, Claudia and family
