“ These pictures were from 2 years ago this week...she loved that beach! She had been wanting to see the clear blue waters and the white sand. She was happy! And talked a lot about her love River and that new granddaughter that was soon to come Savannah❤️ The picture of her sitting at the edge of the water looking out over the ocean, she sat there about 2 hours. I can only imagine she was thinking of Roger❤️

“ Ms Linda was another mother to me. Roger and Linda kind of adopted me and my family. Were there for me with baby Alex, until the very end, I’ve loved them. I will miss her tremendously, but am so happy that she is with Roger and Alex again.

Love you Nana, Alex’s mommy, Jenn
