“ Dear Heavenly Father, One who listens and listens perfectly, I come to pray to you. Precious is the gift of this prayer for the Nance Family and Friends. May they be Comforted in their grief. Grant them Strength to face any difficult moments in the days ahead. Let them draw from their Faith, bestow upon them Hope and Peace. Lord, help them to Rise Up with Courage knowing her Laughter and Light continues to illuminate in this world; knowing she cherished her husband and son; and knowing the difference she made in the lives of others. Let them believe in the Love others offer with Listening Hearts. In Memory of Linda Nance, Lord, Our God, one of your Kindest Angels. Amen.

The Vertefeuille Family (Jack, Maria, Kevin and Zachary).

Blessed by her friendship and support through our shared Catholic Faith and Zac's Boy Scout Adventures

“ Linda was such an inspiration to all who knew her. She was a remarkable nurse and friend. I feel very fortunate to have known and worked with her. I remember how eager and excited she was planning an Eagle Scout reception and the smile and enthusiasm she had for each and every detail of that celebration. She faced each of her challenges with the same infectious spirit. She will be sorely missed. God Bless .

“ Keith and Sean, I feel so fortunate to have known and worked with Linda. She was full of happiness and fun. I remember how thrilled she was after a trip to Disney or to see the Pope. She loved you both so much. It's hard to find the perfect words. Linda was a beautiful person. You are in my prayers.

“ The nursing community has lost one of our best. A compassionate caregiver, a leader, a mentor to the less experienced.... you are already missed, Linda. I pray that Keith and Sean will find comfort in precious memories of the way you loved.

“ In High School I was in Ashley Ridge's JROTC program, all 4 years I was a part of the programs Drill Team; Mrs. Nance was one of our Drill Team mom's all 4 years I was a part of it and a few after I had left. She treated each and every team member as they were her own child. She would bring snacks, dress any and all wounds, and always offered her support and advice when it was needed. Any of you who were a part of that Drill Team know that it was very much like its own family and may have come to know her as "Mama Nance" as a lot of us called her. I also got to know Sean and Mr. Nance very well from the drill team and over the years Mrs. Nance proved time and time again that she would always be there for us no matter what we needed. She was a pivotal part of my high school experience, and the world will truly never be the same without her. The photo Ive chosen to attach reminds me of probably the best single high school event I was lucky enough to experience, in the top left of the picture Mrs. Nance is seen with her hands raised in the air, this was one of the "fun" pictures we took; and I certainly remember this trip being very very fun. From leaving cones and rifles in bath tubs, to our "free day" in Daytona beach, and even when I broke Mr. Tyler Dandridges hand; Mrs Nance was there supporting and helping anyway she could every step of the way. Thoughts and prayers go out to the Nance family. Love you guys.

“ Linda, you will be missed. Over the years, you've been a wonderful neighbor. We will miss your smile and laugh. Thank you for always stepping up with a kind word, a big pot of chili or to judge the chili cook off. We'll miss you as we set up the cul de sac halloween one stop. When we have the next off to college party, who will play fiercely and with humor. I could go on and on.... Truly, you will be missed, my friend...
