My sweet mommy it was too soon for you to go. We are sitting here in shock. We are sitting here with so many questions and not enough answers. We are sitting here holding onto memories and trying to let go of the ones we wanted and will never have. You have no idea how missed you are. Your love surrounds us even now. People who love you are pouring in to check on us, feed us, clean for us, sit with us... We aren't ready for this life without you. I know you are in heaven with your precious daddy and I am so glad you aren't in pain. I love you so much.

Linda you had a life well lived! You will truly be missed by family and friends. You left us way too soon! Your outspoken, quirky and spunky approach to life was a uniqueness that was YOU! Your love of your friends, family and the Lord was always apparent to anyone that crossed your path. Along with your devotion to our current President. There is comfort in the knowledge that you are in our Saviors arms! Seeing your beloved Daddy, brother, grandma, Aunt Betty and Ronnie again. You made an impact on many lives and will be remembered by those that carry on your legacy. Good-bye til we meet again, Kristy
