“ Lisa was one of the first people to call me when I got out of the ICU after my heart collapsed. I will remember her smile and smiling when her and Randy came up to my resort, I opened the restaurant for just them and prepared a 3 course dinner for them. Randy proposed to her that night, and I had tears then, but they are not like the tears I have now. I will miss you, and while Jessica is with you, I still wish you were on this Earth. Much love, respect and hope for the family and friends to overcome this tragedy.

“ Lisa was a bright light with the best laugh and a smile to light up the room. She was a true professional that loved helping others and such a genuine friend. My deepest condolences to Randy, you made her so happy. To her daughter Olivia and grandson Cash, she absolutely adored you and loved you with all her heart. May she rest in peace and may God wrap his arms around all of you during this most difficult time. You will all be in our thoughts and prayers.
