

Lisa Oliver

March 24, 1961 - May 10, 2022

Lisa Ann Oliver, 61, of Summerville, wife of Robert Oliver, passed away on Tuesday, May 10, 2022. Lisa was born March 24, 1961 in Salem, MA, daughter of the late Anthony and Ann Dragoni. Lisa married her high school sweetheart, Robert Oliver in 1981. While Robert was serving in the United States Air Force they were stationed in Japan for 14 years. While residing in Japan, Lisa became fluent in the Japanese language and taught English to Japanese students. She loved Japan, not only the people but learning about their culture as well. She was always ready for an adventure to travel and explore within Japan and also other nearby countries with her family. They later returned to the United States where she attended the Medical University of South Carolina and obtained her Bachelor of Science in Nursing. While in school she began working at the VA Hospital in Charleston as a VALOR student. She graduated in 2002, and began working there as a full-time nurse. After becoming a seasoned nurse, she often was a preceptor to new nurses. Lisa was known as being a compassionate nurse and a mentor to new nurses and students in the field. Later in her career as a Registered Nurse, Lisa became a Clinical Researcher and participated in many trials and studies with the Veterans Hospital. People said they remembered her as always being kind, caring and willing to help fellow nurses during her shifts. Lisa and her husband had the kind of relationship everyone would hope to have, she loved to laugh and “Ollie” (Robert) was just the person to make that happen! She and her family were extremely close, and she was always there for her family.

She enjoyed fishing, boating, cruising, traveling and most importantly, spending time with her grandchildren. Lisa loved her family fiercely, she fought a hard battle to be with them for the past 4 years. She was a friend to many and will be remembered for her kind and loving soul. Survivors in addition to her husband Robert of 41 years, include: Two Children: Katie Lowell (Brett) and Robert Oliver, II (Lisa); Two Grandchildren: Emma Lowell and Anthony Oliver. Family and friends are invited to attend her visitation on Sunday, May 15, 2022, from 6 o'clock to 8 o'clock at James A. Dyal Funeral Home. A funeral service will be on Monday, May 16, at 6 o'clock at James A. Dyal Funeral Home. Burial to follow on Tuesday, May 17, 2022 at Beaufort Nation Cemetery in Beaufort, SC. “ Words....spoken too frequently lately. About how lovely, sweet, kind and a great inspiration. Gone too soon. I will miss her. She always came to the lunch bunch and was a beautiful teal sister. Your memory will be a blessing....Nancy

“ My heart is broken over the loss of such a sweet friend. Met Lisa in mainland Japan back in 1989... I was pregnant with my third child (my older two boys modeled with Katie and Robert). The friendship grew over the years and we found ourselves back in Okinawa together as well in the mid 90's. I feel fortunate that the we remained friends through the years, even though we had limited time to see each other..raising our families, etc.. Wasn't until she and her husband Ollie came to MD Anderson here in Houston that we were able to connect in person as I live not too far from the medical center. I also had the amazing experience of learning more about Alstrom Syndrome and joined the family at one of the conferences in Galveston in 2019. What a joy that was to see her daughter Katie and her husband Brett, and meet her granddaughter Emma.

I always told Lisa that I admired her and Ollie so much... they were kids having kids and they really enjoyed being a family. Countless hours in the kitchen cooking and eating meals together and sharing an incredible bond with their children. I have no doubt that Heaven had its' gates WIDE open waiting for her... her parents welcoming her as she entered. She will be greatly missed by all who knew her. She touched so many lives and certainly touched mine in so many ways. I am blessed to have known her and love her as my friend. Until we meet again... Diana Gaines and family

“ Lisa was such a sweet lady. Met her at the Ovarian Cancer Support Luncheons, and she made me feel welcome and inspired. Our stories were similar and she was so strong to fight and hold up as long as she did. She had a strong will and even stronger love of her family to keep going. She will be missed.

“ We met Lisa and Ollie while we were stationed at McGuire Air Force Base. Lisa was such a great person and we stayed in touch over the years. I can remember how every year she would send out Christmas cards with an update of what they were up to. We looked forward to reading them. She was such a strong woman and a fierce fighter. We will always remember her. Gus and Diane Reynolds

“ Our hearts are broken. She was the one who suggested to me big time to get hearing aids, and made it clear that I would be more than happy to get them. She was 100% right. Her biggest feature was her heart!!! She will be sorely missed by everyone who knew her!!! She was 1 of a kind.

“ Lisa was the kindest, sweetest person and a wonderful nurse. We worked together many years ago and even on the worst day, it was always a good day when she was there. I am so sad to learn of her passing.

My sincere sympathy and prayers are with her family.

“ I first met Lisa while stationed in Okinawa Japan 1993,1994 time frame. We both worked together in the Camp Kinser clinic. Lisa was the kind of person you were immediately able to connect with. She was so personable and loving. We became good friends and remained so to the end. I am so thankful I was able to visit Lisa and Ollie July 2019. I wished we could have seen each other more. We did have many long wonderful phone conversations which I will never forget. It is so hard to comprehend that she is no longer here. I hope she was able to see the pictures I sent of our visit in July. She was such a trouper thru all of the treatments, she continued working almost to the end wanting to make sure everything was in the proper order. What a loss to all the patients, nurses and physicians whose lives she touched. Ollie, Katie and Robert I cannot begin to say how sorry I am. She was an awesome friend. I will miss her so much but know she will be in my heart for the rest of my days. I love you my friend. Jean and Katie Kremler

Lisa's wings were ready; hearts on earth not so. Sending prayers for the family. Today is the anniversary of my mother's passing. It is never easy, but consolation lies in the fact that there is no more pain. Lisa's smile is lighting up heaven.

I met Lisa and Robert in Savannah in 2019. Truly loving and funny couple. Over the last few years Lisa became a friend sharing our experience with OC but also our love for Boston, Maine lobster and seafood, and medicine/healthcare. I'll miss you Lisa. You're truly an Angel 😊

“ *Lisa was a wonderful woman and a good friend. Last year in Jan 2021, I lost my wife of 29 years. With everything she had been through in the last 4+ years, when she heard about Debbie, (my wife), she took the time to call me and offer her condolences, her love, and her friendship. That so touched my heart and will remain in my heart for the rest of my life! Thank you, Lisa for being such a great person! If anyone ever deserved to go to heaven, it is definitely you. May you rest In Peace!*

“ *I didn't personally know Lisa but I followed her on her journey. She was the most determined fighter of this evil disease that I have ever seen. She definitely gave it a fight. She was always cheerful even going thru all the treatments that she did. Following her and seeing her ups and downs, her determination and her will to live was so heartbreaking and touching. Once again the evil won and she lost her battle. She's in God's loving arms now and no longer fighting. She can be at peace now and rest. My thoughts and prayers are with the families of this amazing woman.*
