“ *Lisa was a very sweet and kind person. I only saw her at my job but she always made my day. I hate knowing she passed a few hours after seeing her that day. I will miss our little conversations. RIP.*

“ *My heart hurts to hear that one of God's sweet daughter is no longer with us. Lisa was a loyal friend and devoted mother.*

“ *Lisa was one of the greatest friends I've ever had. We had the best talks, saw tons of sunrises together, saved for a year and went to the Bahamas together, got our 1st (and my only) tattoos together. No matter where life took either of us, or how much time passed, we could always pick right up where we left off. She was easy to be with, easy to love, and made even the most mundane tasks fun. I'm grateful for the time we had. I selfishly wish it was more. My heart breaks with her son Chance, her parents, her sister, Ed, and the rest of her family and friends. She is loved and missed by many.*
