“ *Trey and Grace, I just learned your mom passed away, and was also sorry to see that your dad died a couple of years ago. They were both such lovely people who John and I were honored to know. Our family has special memories of attending the Singing Christmas Tree for several years, thanks to Lisa's invitation. Though we share in the sadness of your loss, we have no doubt that your mom is joining with all angels and archangels and the company of heaven in her element singing to the glory of God! Sending love and compassion your way-*
