“ *This sweet man was known as Buddy to the Logan family. He was next to the oldest of 23 grandchildren born to Grant & Claudia Logan. My Mom, Lorena Logan Wallace, and brother Johnny enjoyed Buddy's visits to WV because he always came to see them at Odd. He and my Mom both loved music, especially the BLUES. A favorite memory is of Buddy leaving my Mom's house and we were standing on the porch waving goodbye while he drove off in his truck with the blues blaring...My sincere sympathies to Jane, his children and his loving sister Drema. Buddy was so special.*

“ Jocko was a great friend, heck of a loadmaster and one GREAT human being. His personality was infectious and drove us all to do better and be positive. Everyone Jocko met was his friend and admirer. We had some great card games and memorable times at the Charleston AFB Rod and Gun Club. He was a loyal servant to this Nation and our freedoms. Load Clear and the cargo door closed a final time. Your work is done my friend. You will be missed, but not forgotten. RIP my dear friend and brother and keep the parachute dry.

“ Jane and family, so sorry to hear of your loss. Jocko, was my Buddy, and a very dear friend. We flew many Air Force missions together before we retired. What a great Loadmaster, and person. Everyone loved him, he had the greatest personality, and never met a stranger, and always had a smile on his face. A giant of a man, the word can't was not included in his vocabulary. Betty and I will sorely miss you my friend. You will definitely be on the good Lord's flight crew.

*RIP my Brother.*
