“ As I write this, my heart is hurting knowing one of my sweetest friends, who was like family is gone. I'll never forget the first time I met Lorene. My daughter & I were having lunch with my son's fiancé, her Mom, sisters, & friends of the wedding party. As soon as I met her I felt like I had known her all my life. She was so friendly. I felt love with her immediately. Lorene loved God, & her family. She always treated everyone with love & care. She was a wonderful cook & gardener. I have so many special memories with Lorene & her family on many occasions, and I will miss her dearly. The comfort I have is knowing I will see my friend again. Until we meet again my Friend. I'll always love you.

PS

Aunt Lorene was always the rock of our family. Always there to take care of anything that needed to be done or anyone that needed comfort, without ever being asked. She always knew what was needed. She gave selflessly of herself with love and care to us all. She is loved by her family and friends and will be forever missed. We love you. ❤️

“ My sweet mama, you will forever hold a special place in my heart, and I will forever cherish the good memories we had and the laughter you got out of me so many times, and the best Mustard Greens and Fried chicken I have ever eaten and how you welcomed and loved me and my boys just like any of your grandkids ! God gifted you to me for what feels like a very short time, the sweetest grandma in law and I thank God for allowing me to get to know you and love you for the given time. You definitely earned your Angel wings and I can't even imagine the welcome celebration in heaven when our dear Heavenly Father escorted into his kingdom. No more pain, no more sickness, rejoice on his arms and take your much needed rest. Love you forever
