“ So many many great memories of Aunt Louise while growing up and having great family get togethers at her sister's house (Bertha) as well as at the community center. All my love and prayers go out to all the family who has stood by her in her last years on this earth. I'm sure she is being welcomed with open arms by Uncle Reynolds as well as her siblings and her Mother and Father.

“ Ms. Louise will be missed. She always loved telling me stories when I visited. From the doctor who came to the house to deliver the boys, driving the school bus, the goat who chased people, how she sowed her shirts so well they were never returned, and so many more. She truly loved her family and was proud of each of her boys. Hugs and prayers for all of the family.
