“ *We went through many events together. May we be blessed to see each other again. Life has changed over the many years but our friendship will carry on . May your family have strength through this time. We may not understand what God has planned but I know one thing for sure. He don't make any mistakes. Rest in peace my brother.*

“ Lou was one of my set-up mechanics at Bosch, we worked together for several years. Those 12-hour shifts were more enjoyable when he was around. He brought us all so much laughter through his jokes, conversations, and stories. We all knew how much he loved his daughters, Charlie Moon, and Julie (her picture was the desktop wallpaper on every computer he worked at). I can't recall a time he wasn't smiling. He really was a great guy and he'll be tremendously missed. Sending my condolences to his family and loved ones. I am keeping you all in my heart, thoughts, and prayers.
