“ My Aunt Lynda was literally one of the sweetest people you could ever meet. I can't believe it's almost been 4 years since she's been gone but I know she's in a better place. She would always be so excited to see me and I don't blame her at all! I will ALWAYS keep the memories we had together. ❤️❤️

*My heart was saddened when I learned of Lynda's passing. She was the love of my life for a short period of time but has never been forgotten and carries a little piece of my heart. Viewing the video I can see that she was extremely happy and loved by her beautiful family.*

*Lynda(Linda at this time) came into my life at Rivers High School when she transferred in from heaven and brought joy into my life. I asked Timmy Dupree who she was as he knew everyone and a few devils. I had to meet her. That ever present smile lit me up and beauty, outside and in, that was never ending. I was fortunate that we enjoyed life together for a brief time at Rivers, Piggy Park(the original), and playing in Charleston but she decided on a different road in life and stole that piece of my heart.*

*Like y'all, I feel certain we will be meeting her again when the Lord calls us home. May she rest in peace.*

*Dear Larry...I was so sorry to hear that your wife passed away. I did not know her, but from the video memorial it was obvious that she was a beautiful and joyful soul who was fortunate to have such a lovely large family as well as a kind and loving husband.
