“ Lynn, one of the most devoted people I've known.

Head stern for sure. Always there when need be & smiling. Love talking with her & seeing each other when we could. Time just flew by us and so many changes, hard to keep up. FB was our go to for information. NAWIC had always kept us on our toes, & again Lynn was always there when I called. One of the good ones. Love is everlasting & memories will stay in my heart. RIP dear friend, you deserve rest now. Prayers to all family and friends.

“ *We give you our deepest sympathy. We knew Lynn from Kings Grant and she was always a happy compassionate person. She was passionate about her family and always talked and showed pictures of them. We will miss her smile and joyful laugh.*

“ We deeply regret hearing of the death of our dear friend. My condolences to her husband, father, daughter and family. Lynn was one of my closest friends while we attended the Fort Mill High School. She and I went to Sunday School together and enjoyed the Yellow Jacket football banquets together. She has lived a life blessing others and loved her family deeply. I know she is enjoying being with Debra and her mother as well as many of her friends. To the family, may God bless you with His comfort and peace. May the good memories help take away some of the pain. You are in our prayers every day.
With deep respect for Lynn,
