“ Sincere condolences to the family of the lovely “Ms. Mable”. Some of my fondest memories of childhood are of birthday parties in her home.....slices of Neapolitan ice cream and birthday cake, little sandwiches and potato chips with onion dip, games of Pin the Tail On the Donkey, and the warm and welcoming smile of Ms. Mable. Over the years whenever I have heard her name the first thing that came to mind was how sweet I remember her being. Have not seen her in so many years, but the memories have not faded.
