“ We don't get any papers any more but got a complimentary copy of The Journal Scene. I was reading through it and saw Madison's death. Pulled up her obituary to make sure I had the right Madison Bare.. Was very sad to see it was one of my chickadees. I have no idea what happened but it truly is sad. She was such a sweet girl as was Caroline. You all will be in my prayers. Martha White

“ *Every time I close my eyes I see the sweet, shy four year old standing on my porch, wanting to play. I see the precious, little girl going off to elementary school. I see the kind-hearted middle schooler in my classroom. I see the young lady with the infectious smile as she entered adulthood. You will be forever in our hearts.*

“ Sweet girl!.....One of my favorite memories was when she put on shows along with her little sister and her friend Kara and performed in Kelly J. Kennedy's house near the fireplace....I think they made David Kennedy part of the act too!....

“ *Asking God to comfort this special family as they grieve the passing of precious Madison. Sometimes words seem so empty, so my prayer is that God will wrap His arms around you all through family and friends and help you through this devastating time.*

The Spann Elementary family remembers the short time we had with you all while Madison and Caroline were students with us. And, then when Madison came to be our Co op in her senior year, it was an extra little blessing. Please know that we are remembering you all in our thoughts and prayers. Kathy Corless

“ *Mads and I were always had so much fun together. She was such a fun loving spirit. This picture was taken the day that we rode on wave runners all day in the ocean and grabbed lunch on Shem creek. It was a great day.*

Madison was one of those children who you remember because of her beautiful spirit. She always had a sweet smile and was a joy to teach in Kindergarten. I am so sorry for your loss. God bless you.
