“ I promised myself as a young girl I would find my family because I was certain I was missing something amazing, just a few short months I knew her and only a few times we spoke during your journey, yet I remember falling asleep smiling and happy that I got to hear your laugh and know your sense of humor. I'll find you again I'm sure, until then, make that spot in heaven big because I'm bringing more of our people:). I love you Grandma!

“ I know very few people, if any, on this planet who drink their Pepsi burning hot through a straw but that's my Aunt Kathy! A straw riddled with lipstick marks and a bottle with a fresh wad of gum. lol Anyways, that's what initially comes to mind when I think of her. Maybe it's a metaphor bc she was so passionate and outspoken. I think when she gets to heaven she's gonna be chasing down and chatting up Dale Earnhardt and Coach Mckissick for sure. I love you Aunt Kathy, and I will carry you in my heart forever!

“ I am sorry to learn about Kathy’s passing. Prayers for all her children and many siblings. I have many wonderful memories of Kathy. So appreciated her making the wedding cake for our wedding in 1976. My grandfather always said it was the ‘best tasting’ wedding cake he had ever eaten. Love to all ! Gail (widow of Mark) Fralix.
