“ *May God's peace be with you. Cherish the memories you created with Your Wonderful Loving Mother. I will always remember her for her caring and loving nature and for being my best friend for so many years. When just the two of us took trips to FL GA NC PA etc. and the visits to their home or ours will always bring smiles to my heart. She was so proud of you children and her other family members and no one could ask for a better friend. She WILL rest in PEACE.*

“ Kimmie, Mark, and Kipp, you three had one of the best mothers in the world and I am so lucky that I was able to call her Momma. Although I only knew her for the last three and a half months of her life I will never forget her or the wonderful times we shared at her house, going to the doctor, or just going to Patty Ruth's to get her hair done. Always remember I am here for you no matter what any of you are going through and I'm just a phone call or text away. Love you three and I'll always love Momma & will never forget her.
