“ So devastated for all of you. Marita was the kindest, happiest and fun spirited. She was the coolest Aunt when we were kids. She was like our big sister when we would visit and we loved seeing her. I will never forget her teaching us some cheering moods and she did a flying split in the air and split her jeans wide open. We laughed so hard bit we're in awe of her skills. Loved all the times she would take me to the pool when I went for a visit to our grandparents house. I had so much fun reconnecting with her in Charleston on a view visits. I am truly going to miss her and her beautiful spirit. Her memories will live on! Love you all.

The best kind of mom to not only my best girlfriend by blood but she was a mom to a lot of us growing up. I love you Marita what a blessing you were to all of us and will continue to be 💕💪🙏❤️☐
