“ Show me the way to go home,
I'm tired and I want to go to bed,
I had a little drink about an hour ago,
And it's gone right to my head,
Wherever I may roam,
On land or sea or foam,
You will always hear me singing this song,
Show me the way to go home.”

I'm probably the only one to have ever heard you sing this song. I've never forgotten it.

I'll see you in a little while--I know how loved I was and I'm grateful to have had the chance to see you and tell you how loved you were, near the end.

Hey Miss Marge, we went by to see you the other day, Taylor, Diane and I. We left some flowers for you and Bill. Diane took some flowers to her husband too. You're on the shady side and it's a nice breeze going through in the afternoon. We've got your Gabby cat so no worries there. You were so loved and now you're with your Mom and Dad and Bill and ALL the animals you knew before. Rest Miss Marge. We miss you a lot and Love you to the Moon and Back.
