“ Our deepest prayers and love go to Tamara, Devin and Mark Anthony. I remember my Uncle Mark having a gentle spirit, a wonderful sense of humor and contagious laugh, a love for music and cars, along with being a very caring man of faith. On the eve of Easter, we pray that our families suffering and pain would be lifted up to heaven and Mark would experience the love of Christ in the Resurrection. Praying that his mom and dad, his brother Greg, many uncles, aunts and cousins would welcome him into the gift of eternal life. God's peace and love, Vince, Karen, Tyler, Logan and Leah

“ Can't say I ever saw Mark on a day when he didn't greet me with a smile and a kind word over the many years of taking my cruiser in for whatever the reason. Just a joy to talk with, along with Pete and the rest of the crew at PW, they always made my visits good ones, even when it was on a day off. Mark will be greatly missed, but well remembered. My prayer is GOD provides some comfort for the family during this time of bereavement.

“ *What a shock it was to hear of Mark's passing..he was an all-around capable and friendly guy who was always sympathetic to getting us back on the road as fast as possible -- he would often step outside his office or from behind the counter and knock out a small work order himself, just to keep us safe in our vehicles..Our thoughts & prayers go out to his family, friends, and close circle of co-workers during the difficult days ahead. Know that his smile will be missed, though we can all take comfort knowing that God truly has an amazing addition to the ranks of Heaven this week.*

“ Tamara, Mark, Devon, Jessica, Meghan & All of Mark's Family, We are never prepared for the loss of a loved one, but God is always prepared to help us through that loss. Let His love surround you with the comfort only He can give. May all of you find strength in the love of family and in the embrace of friends. Let the memories of Mark that mean the most to each of you live forever in your hearts. Each will have memories that are different and sometimes it helps to share them with others so that you can smile. Live each day knowing that Mark is proud of each of you and smiling down on you from heaven. And what a big smile that will be. I will always think of Mark as the "Gentle Giant". Anyone who knew him knows why. Sending condolences, love and many prayers. Margaret & Larry

“ To my brother Mark, unfortunately we take life for granted and don't take the opportunity to show enough love and affection; even though it's there just below the surface. However, you and I did end most of our encounters with "LOVE YA". What's important is I know you and I meant it and for this I will be forever grateful. LOVE YA MARK!!!! Your brother, George

“ I was horribly shocked and saddened by this news. Mark and I were the closest of friends when we grew up on the northwest side of Chicago. We had lost touch when he moved out of the neighborhood and eventually out of the area. I will always remember him fondly and am grateful that he was part of my life. I wish you well during this very difficult time.
