“ *I just learned of this tragedy tonight, so sad, he was such a good human...so much to live for, my heart breaks for his parents, he was “the apple of their eye”.I’ll never forget the first time I met him, he was the “complete package”..please, God, take good care of him, I’m not quite sure why you took him so early...no more suffering... God bless him...I hesitated sending him a card, “thinking of you” ..he probably didn’t remember me, BUT I remembered him....Marilyn Smith*
