“ *I still think of Mrs. Gadsden all the time. She was the first teacher to see my potential and encouraged me to participate in class. She was a challenging and sincere educator, in it for the right reasons. I remember being in school and seeing her hair cut short and grey and she still was a total queen and badass. I sincerely hope she finds peace and love in her resting place. Thank you Martha for your role in your students' lives. You were an OG and an absolutely tough and incredible lady. I hope you left this life knowing that deep in your soul. Thank you*
