“ *I wish I could be there, my heart is with you all. Grandma was so good to me, she will forever hold a special place in my heart. She is the reason I first loved the smell of coffee, and rainy afternoons on the patio. She taught me how to bargain shop, she stood up for me. I am so grateful she was a part of my childhood and I hope my grandkids feel the same way about me one day. I will miss her sweet smile. 💜 Crystal Curran*
