“ *Summers at your house and her were the best. She always made me laugh and feel so loved. Especially when she and Karen spied on me and my high school date! Her endless laughter, early morning wake up calls by the smell of bacon filling the big country house will never fade. Uncle Jack, my heart aches for you and the boys. She was so blessed with an amazing loving family. I love you all!!*

“ I worked with Martha Jo at Flowertown Family Physicians for many years and she was always compassionate and thoughtful. She could light up a room with her laughter. She never met a stranger. Martha Jo adored Jack, her boys, Bonita and her grands and would share stories of their escapades! Martha Jo mentored me, although she probably didn't know it, by sharing her wins and failures in child raising, marriage and life. She inspired me to do more, give more and love unconditionally. My life is better from having known her. Thank you Jack for sharing her with us and loving her so well. She was well loved. Until we meet again Martha Jo!
