“*Mart and I played guard on the SHS basketball team her senior year. She was short and fast. She excelled in everything she tried to do. I will miss her cordial smile and her all-encompassing personality. She was my friend and I loved her*❤️👍

“*Mrs White was my preschool teacher with Mrs Knight. She was always so sweet and made me feel better when my mom and dad had to leave me at school. She was always there to help, waiting with open arms. She gave the best hugs, I can still remember her perfume, she will forever be missed and cherished. She may have only been my preschool teacher but she was so much more to me.*

“ I am so sorry to learn of Mart’s passing. Although it has been over 40 years since Mackie and I coached our sons in baseball at Park’s Field, it feels like yesterday. The times spent with Mart and Mackie are some of my fondest memories. Mart was a ray of sunshine, always cheerful, always positive, and always had a smile to share. My sincere condolences to Ty and his siblings and to all who will miss her.

“ *I worked with Marty for many years at Spann & feel blessed to have known such a sweet & gracious lady! She had a special gift for children. They could feel her love & responded to her because of it. She always had that twinkle in her beautiful blue eyes & a smile on her face. She was a joy to be around! She will be missed, but I know the good Lord has a special place in Heaven for her! Praying the Lord will provide peace & comfort for those she left behind as only He can.*

“ I worked with Mart at Spann and also went to church with her. She was the most positive person! She always had a kind word to say. Mart was also very very funny! She had the best sense of humor and that little twinkle in her eye that let you know she was teasing you! She will be greatly missed. I consider it a privilege to have known her and worked with her! Rest in peace my friend.

“ I attend SBC and Mart was one of my son's first Sunday School teachers. She was always SO kind, gentle, and loving to my little guy, as well as ALL of the children in her care. What an amazing lady, and she will be missed here on Earth, but I know she is rejoicing with her Heavenly Father for eternity. Much love and many prayers to the family. I am honored to have known her.

“ No words can express what Mart has meant to so many of us. I think back to that day in November 1970 when I walked into Nancy Show's Sunday School Class at Summerville Baptist Church. I can still see Mart in a purple corduroy jumper. Little did I realize then the impact of her life on mine. Friends for over 50 years. The past several years we didn't see each other often but it was always like we were never apart. I can hear her say, "Janey B, you are a shot in the arm!" I am so thankful for our time together this summer. It just wasn't enough! Marty, I will miss hearing your voice. Praying for her family and friends.

"Love you girl", last words that were spoken go eachother. Met Mart in the K Mart with Genia, her sister in law, and could hardly hear what she was saying. I asked Genia if there was something wrong with her
But, as we all know, that was Marty. Soft spoken and a heart of gold . I will always treasure the friendship we had and thank God for putting her in my life.
I will miss her but know she is so happy now and she is with her buddy..
All my love and prayers to her extended family and friends.
Will miss you my dear friend.
