“ Marty was a good Christian man. A humble and hard working man who saved my job a couple times. He would give the shoes off his feet to help another with no need for attention or anything in return. He will be missed.

“ *Marty roomed with me at VMI and we both played football. Our other roommates, Tommy Lawson, Mike Strickland and Mark Palmer always loved rooming with Marty. He had an incredible sense of humor, a passion for football and a passion for life. I thank the Lord I reconnected with him about 18 months ago and spoke to him about 10 days ago. Marty was special in every way. His passing deeply saddens me as it will the entire class of 1971. Marty left his imprint on me and I will always cherish our time together at VMI. VMI is a special place and Marty was an extraordinarily special man. Rest In Peace roomie! Cuffer*

“ So happy that we were great friends. Once the Healy clan got to Paden City our friendship began and was one than lasted. I am so glad we got to be great buddies. From hanging out at the Healy house, to little league and pony league baseball, Wildcat teammates for multiple sports, to just hanging out at the local pubs for a couple of Cokes, with a few road trips thrown in, we had fun. Life is really about friendships and Marty was a great one. Yes he was a tough nosed competitor in football and basketball, but memories of our friendship will be what I will always remember and cherish.

“ Sharing a memory. Wow there are so many. There are no words to describe what Marty and your whole family have meant to me. My memories of Marty will always be football, and him seeming like a "big" brother to Bill and I. There a just too many memories to even mention. I am so sorry to hear of his passing and send my love and hugs to all of you. Our families being together in the house in Paden City and watching Wildcat sporting events are my childhood. Marty was a wonderful person and will be greatly missed.
Many sympathies from Bill and I.
