She was much beloved and will be greatly missed.

She is survived by her loving children: Herbert Chinnners Jr. and Nancy

“ I met Mary Ann when she came to Texas with my cousin Gary. I loved her immediately. Gary would go fishing and we girls would go to the animal reserve. Years later when Gary passed, I told Mary Ann that she was family and please keep coming back. So she did....and I always look forward to her visits. My fondest memory was sitting on the patio every morning with coffee and cinnamon cake and banana while we watched for hummingbirds. She was like the sister I never had and is terribly missed. She was a shining star in a world growing dark. I thank her family for sharing her with me, my family and my friends. Everyone loved Mary Ann. Karen in Texas

“ *Mary Ann Chinnners is my aunt.  
I have so many fond and special memories with her and her family.  
I learned so much from her and we remained close all our years.  
She was the sweetest, kindest person you'd ever meet.  
I remember looking into a pot in the stove and seeing pecans in  
their shell cooking with some mustard greens or collards and  
learned that by adding the pecans, it took away the smell of them  
cooking but didn't mess with the flavor! So cool.  
Another was being taught to call the "doodle bugs" out the dirt under  
their house! That was something we did almost every time I was  
there. We still laugh about that!  
I could go on and on but, the best memory is just spending  
weekends and summertime with her and the family!  
She will be sorely missed but I know she is flying high in heaven  
with her loved ones.  
I shall always keep you in my thoughts and know that one day, I too  
will fly high in heaven beside you!*

*All my love,  
Your niece,  
Joan Chinnners Hawkins*
