“ Myra, Susan and I are so sorry to learn of your mother’s passing. You shared with us so many happy and fun stories of your mom, and though I didn’t know her personally, I imagine much of your spunk and spirit comes from your mom. Please know we are thinking of you during this difficult and sad time. Please let us know what we can do for you, anytime.

“ Lots of fond memories playing cards with her. She was always up for a good joke, and her laugh was unmistakable. I would give anything for a dish of her pumpkin torte. Nanny was a real firecracker. My heart goes out to the family.
