“ *I'm sorry it has taken me so long to write, missed the guest book. I was working with Matt in Kabul. He was a very special person to me and his loss has left a hole in my heart. He was caring and looked out for everyone. I felt a special kinship with him, part of my extended family, which is rare, because I don't let many people in my life, just the very best, and her was. After the contract was ended in March, I thought I would be okay with the loss, but on the flight back to the States, about a hour out of Atlanta, I started to fall apart and totally lost it when I got home. It's taken me this long to where I'm at a point to where I can talk about what happened over there. I think about Matt, Walt, and Jason every day with fond feelings and memories. I can't imagine what you are going through, but I wanted you to know how much Matt meant to me. My prayers go out to you and all the family members. May God be with you every day.*

“ *What a wonderful friend Matt was to have in my life. I worked with him at CI and thought of him as a brother and best friend. He was a person who always spoke about his family and how much he loved you all. There is nothing that Matt would not do for anyone he knew. I miss and think of him everyday. I have a picture to share if you would want to send me your email address to moyockgirl@embarq mail.com. Your family is in my prayers and always know that Matt was truly a wonderful man and friend to all he knew!*

I am now and will forever be grateful that your my husband and I can be called your wife..You have always been my knight and shinning armor and if I haven't told you lately you will always be MY HERO.. “ I was heartbroken to hear of Matt's death. I had the honor of not only working with Matt but also forging a bond that can only be realized in a war zone. It was an honor to call him my friend. I had the opportunity to spend several years with Matt down range. He was always very upbeat, willing to volunteer on any assignment or help others. My sincerest condolences to the family. He will be dearly missed. Rest in peace my friend.
