“ Matthew was such a special soul and will be dearly missed. I've been friends with the Morris family for fifty years now - I cherish every moment. I look at Matthew's picture - and don't know whether to laugh or cry - laugh because he was so funny - or cry because of the void of his physical presence. He lives on, however, in our hearts - and in his decision to save others through his organ donation. RIP, my sweet friend. Warren and Billy welcome you to Heaven. And we know that the three of you are watching out for all of us down here.

“ Aaron & Tracy: my heart goes out to your family. So sorry for your loss. I didn't know Matthew but I am sure that he was the light of your lives. I just wanted you to know, how touched I was with your offer of organs. I was speechless. Thank you for thinking of me. May the light in Heaven from Matthew never go out. My love to all.
