“ Sorry to hear of Melvin's passing. I met him through the Subway. We became friends. He has done some work for me. I considered him a straight up country boy. We had many experiences in life that we could relate. Saw him not to long ago and we talked for a while and the last thing he said to me was, I will stop by and talk with you sometime when I see you in the yard. You have lost a family member but I think that many of us would be considered extended family. I really enjoyed his company and friend ship.
