“ *There really are not enough words to describe what a wonderful man Mike was. A friend from the moment we met him 6 years ago. That smile, that laugh. You just felt so loved and important when you talked to Mike. We never had enough time with him. He had so much to say, so much to share. Always anxious to fill us in on the new restaurants in town and the new neighbors he’d met, especially if they were from Buffalo. He would always describe them as “the nicest people”. Mike found the good in everyone. If we could each be as kind hearted as Mike, oh what a world this would be. You will be truly missed dear friend*❤️

“ Speaking as a charter members of the Buffalo, NY chapter of the Mike Ambrose fan club, Diane, Jennifer and Angela we are broken-hearted for you. If we are sure of anything it is of how much he loved you three and how proud he was of you. I can only imagine how over the moon he was for Greyson. I have never met anyone quite like Mike. He truly never met a stranger and was my family's favorite. I can still hear that laugh of his and see the smile. Our thoughts are with you. Love Ken and Sandy Padak

“Mike was an amazing man that loved to tell stories and spend time with his friends and family. His grandson was his shining star and he spoke about him all the time. My husband and I could spend hours talking about Mike and his restaurant picks. He loved to eat and gave us many recommendations, but some were really bad. He loved my strawberry pies, and the canned peaches I made for him. My favorite memory was last year’s garage sale. He spent a month preparing for it, and he had stuff from everywhere in it. It was hilarious. We became great golfing buddies over the last couple of years, and I will miss him. Mike was my husband’s best friend, and they did a lot together, whether it was watching the Bills play on the “Beast”, or sharing food and a beer after a round of golf, or sitting on the front porch solving the problems of the world. Life with Mike was a hoot. He will be missed by all that knew him no matter how long. RIP my friend. We loved you so. 🙏🙏🙏🙏🙏🙏🙏🙏

Our world is not as bright as it once was. Mike was so much fun no matter where we were. We remember that beautiful smile that just lit up a room. He was Frank's first buddy when we bought our house. Back in 2016 there were just a few of us at that time. That friendship grew over the past 6 years. Mike would often ride his bike to our house and come in for a visit. We knew it was him just by the knock on our door. He loved our coffee and loved to sit on our patio or sunroom and look out at the lake with Frank. Often John was with him. The guys had a strong bond. They especially liked going to the Legion. It would be Mike, Mark, John and Frank. They had the best time solving the world's problems. And there was that porch. Always welcoming. Frank would walk down and have a coffee or soda with Mike... and be amazed at how many people in the community Mike knew. He was the ultimate people person. Always a funny story. Speaking of golf... he could never figure out how to beat Melissa on the golf course. He would come home shaking his head and talking to himself. Mike's world was Diane, his daughters and Greyson. He just beamed when he talked about Greyson. We can't imagine not seeing that sweet face and those skinny legs again. And that laugh... we love you, Mike.

This is wonderful, thank you so much for sharing! Dad loved you too! He made the world a brighter place. I couldn't have asked for a better man to be my dad and Greyson adored his Poppy so much too and we were all so lucky to have him. Much love back to you!

We haven't known Mike as long as other neighbors, but we feel like we have known him forever. Always stopped to talk, laugh, recommend a new place to dine and gave our pups a treat and pats. A true family man who will be missed. We feel blessed that he and Diane came into our lives. He will forever be with us in our memories and in our hearts.
