

Michael John Gerry

August 17, 1955 - March 29, 2026

Michael John Gerry, 70, was called home to be with his Lord and Savior on March 29, 2026. Born on August 17, 1955 in Queens, NY, Mike was known for his magnetic sense of humor, deep friendships, and an unwavering love and devotion to his family and friends. He never met a stranger.

He is survived by his wife, Sheri; his sisters Karen, Dawn, and Melissa; his daughter and son-in-law, Nicole and Bill, his daughters Christen and Allison, and son Dylan; stepchildren Brittany, Connie, and Paul; three grandchildren, and great-grandson. Family was the core of his life. He was preceded in death by his parents Kenneth Gerry Sr. and Janet, and his brother Kenneth Gerry, Jr.

He graduated from Arundel High School in Maryland and from New York University. He had a passionate career in audio and video systems beginning at German Hi-Fi, time at Professional Products, and 33 years with Washington Professional Systems where he built lifelong friendships throughout industry. He was a voracious guitar player in several local bands in the Baltimore area. He retired in 2023 and moved to Summerville, SC where he continued his love of playing guitar, composing music and songwriting in his home studio. He enjoyed birdwatching, gardening, and reading. Mike was an avid Baltimore Ravens fan and NASCAR enthusiast. Mike and his wife enjoyed time together attending music and food truck festivals, spoiling their two dogs, and road trips

where they would get lost along the way.

Michael had great faith in God and walked daily with the Lord.

His Celebration of Life will be held in Maryland in the near future.

In lieu of flowers, the family would welcome donations to The Storehouse Food Pantry/New Life Christian Center located in Norfolk, VA where his brother and sister-in-law, Nancy, were founding members.

“ I met Mike in 1993 when he came to my small video production office in Georgetown, Delaware to see if I needed any video or audio equipment. We became instant friends and talked at least once a week. Then in 1995 I opened up a much bigger production company/studio etc. and always called him for tech help and equipment recommendations etc. He always had time for me what ever he was doing. We became life long friends from the beginning. He always use to tell me about Sheri his new love and fell head over heels for her and eventually tied the knot and move to South Carolina. A few years back when my wife Diane and I visited him a Sheri. We bought a 45 ft bus and started to travel and one of the first placed we visited was to go see Mike and Sheri and of course my bus would not fit in their driveway so found a very nice campground nearby. I never met Sheri until then..... because never was able to make it over to their Maryland home. It wonderful seeing them and the doggies and had so much fun being w them for a few days because had to get back to Delaware. I still devastated from the call from Dillon telling me Dad passed away. Rest in peace my dearest from and will see you again. Love you Mike

“ I remember going over to the Gerry’s house in Crofton for dinner and a swim. Mike seemed so much older than I was back then. Now I realize it was only five years difference. How time flies and how time changes all of us.

I saw Mike soften and grow when he and his wife attended a Lutheran church in Baltimore. We were all three taking a confirmation class but he and I didn’t recognize each other. It wasn’t until he introduced himself and shared some of his background that I realized it was Mike!! Later, he worked with my brother in law at Pro Products, James Baldwin.

May God bless his family and may your memories and love for him sustain you in the years to come.

“ I met Mike for the first time in 1987 during my stay with Karen when the whole Family invaded his house for Thanksgiving. So his normal home of three suddenly got enlarged by 11 additional people. I still remember that we were able to listen to his record collection and use his nice Hifi system, and he would adjust the Equilizer for us.

“ Only met Mike a couple of times but I came away with the knowledge that he was a very caring and compassionate person. He was Sheri's soul mate and best friend. I am heartbroken that he was taken too soon from her and his family. Our prayers are with you Sheri and your family. Aunt Ginger and family.

My heart goes out to the entire Gerry family. What a loss you have suffered! I have many fond memories of Mike in his Crofton days and continued to keep in touch with him while he worked at Pro Products with my late husband, James. May you all be comforted by the Holy Spirit.
