

Michael Paul Printup

January 27, 1965 - December 31, 2025

Michael Paul Printup, 60, formerly of Hamburg, New York and more formerly of Summerville, South Carolina, passed away on December 31, 2025. He was born January 27, 1965, in Buffalo, New York to the late Carole Printup and Celand Printup.

Michael was the devoted husband of Stephanie Stephens Printup with whom he shared 32 years of marriage. A proud son of Western NY and of Seneca Indian heritage, he carried that with him everywhere he went, never missing a chance to talk about his hometown of Hamburg, cheer on the Buffalo Bills, or enjoy auto racing of any kind. He was an avid outdoorsman and found great joy in hunting as a young man, shooting guns & fishing with his sons, and most of all enjoying beautiful outdoor scenery and wilderness. Michael never met a stranger. He could strike up a conversation with anyone and make friends wherever he went. He was truly the life of the party and the extrovert at every event. Michael worked as Chief Operating Officer for Parella Motorsports Holdings. Above all else, Michael loved his family who were the center of his life. He will be deeply missed by his loving wife, family, friends, and all who had the privilege of knowing him.

He is survived by his loving wife, Stephanie, his children Brendan (Caitlin), and Matthew. His granddaughters Sophia and Vivienne, his close siblings Scott Printup (Lori), Brian Printup (April), and Dana Weise (Thomas), his aunt,

Linda Timmons, his mother-in-law and father-in-law: Leonard and Louelia Stephens, his brothers-in-law, Rollo (Gail) Stephens and Trevor (Nicole) Stephens and many beloved nieces and nephews. He was preceded in death by both his mother and father.

A gathering of family and friends will be held on Wednesday, January 7, 2026, from 2 p.m.

I had the honor and privilege to work as a PA announcer at WGI for this highly professional and all-around nice guy! Sure, I miss the racing, but it's people like Mike who I miss even more! Godspeed, Boss!!!

“ Mike and I went to Hamburg High School together. I considered him a friend although we hadn't spoken in many years. A vivid memory of him was actually in junior high. We sat next to each other in class, although I have no memory of which one. He came in with about a dozen Bruce Springsteen t-shirt iron-ons. Yes, iron-ons were big and so was Bruce. I asked if I could buy one (he had bought them from someone else in school). He just looked at me with that smile & those eyes & said "Jackie, I'll just give you one." That was a big deal to me. I'll always remember that and Mike's sweet look & kindness. RIP Mike.

“ Mike was a legend and he accomplished so many great things as he made the bestest of friends along the way. I will forever miss Mike's kind heart and infectious laugh. He taught me so much about how to celebrate friendships and enjoy life. Sending love to his brothers and the entire Printup family. I miss him already.

“ My deepest sympathy to the entire Printup Family. Michael was such a down to earth, genuine man. I worked for him in the old days at The Red House Inn & knew him for years after. He was full of life. You are all in my prayers.

“ I met Michael at Watkins Glen International shortly after he became track president. I was just the average spectator but when he introduced his "chat with the president" coffee and donuts on Saturday mornings, he became a friend. He always had time to talk and it was very much appreciated. In his 15 years as president at WGI he did more, much more, than any other to improve the track experience for all of us. Even when he left WGI to take on new challenges with SVRA, he would make it a point to stop by our camping area at the Glen Vintage weekend to say "hello". He was most definitely a "people person" and will be missed by all who had the privilege to know him. Peace to Michael and to his family.
