“ *My condolences to you, Lisa, and Timmy for your loss of your loving mom. I have many good memories of her and all the times we would be over there when we were young. I'm sorry I didn't come to the funeral. I didn't know about her passing until Saturday when I came up for Mother's Day. Your mother was a good and loving person to all the people she met.*

“ What a wonderful lady your Mother was! I have only fond memories of your family. Always so kind. Your Grandfather visited my Mother often when I was growing up. He called me Dollbaby. To this day I use the Duncan Fife chairs at my dining table that my Mother bought from Mrs Johnson when she got a different set. (They've been painted and recovered too many times to count). And of course al love all the Dears. Your Father and Mother are together again. Probably at KMart. You are all in my prayers..
