“ Sorry to hear of your family's loss. I spent many years working around “Butch” Potter as a co-worker in the ‘steam gang’ on submarine overhauls in Shop 38 at CNSYD. He was a fine Journeyman Marine Machinist and will be missed by all who worked the submarine enginerooms around him. I remember he got offered a job in DC, but glad he was able to get the Power Plant job instead. My condolences to the family.
