“ I will miss you everyday. I will miss your advice, your unwavering support, and your unconditional love. I will miss the way your face lit up upon seeing Daniel no matter the occasion. I will never forget the tears of joy you shed when you found out Kevin and I were expecting your first grandbaby. I just want to thank you for being not only my mother in law, but my friend, I will love you always. Until we meet again at the gates of Heaven....
