“ *My sincere condolences for your loss. This has taken me by surprise, I am at a loss for words to express my feelings for Nicholas' passing. I fondly remember playing youth soccer with him at the YMCA. I have many fantastic memories bumping into him Upstairs and always having great conversations with him. Such a great man!*

“ Going to miss coming home from work and seeing your car in the driveway. Then there you and David would be playing your video games and me telling you to let David win sometimes. Can't believe it was a few days ago you picked us up at train station. We will miss you so very much.
