“ Pam loved with her whole heart. Her husband, family, friends, pets all were the recipients of her joy and love of life. When staying with me she would wake up at 6:30, grab a cup of coffee, and walk outside where before I knew it we would be planting plants she brought me.

When she and Pete came to see me, she insisted we go pick up a paddle boat I bought and ride it over to the dock together. There was only one Pam in my life and I will miss her terribly. I love what a friend wrote when they said she was a firecracker! She was indeed a firecracker. Ellen Clark

“ Pam Russell was one of the best people I've ever known. Her spunk, spirit, zest, whatever you call it, was infectious! Always so positive and willing to help anyone at a moments notice—we should all try to be more like her.

Her love for Pete was immediately obvious when you saw them together. They were a team!

I will always cherish the years we worked together at Newington. God's gardens just got a lot more beautiful. Rest well Firecracker.
