“ I am truly sorry for the loss of Pat. She worked with my mom for as long as i can remember and was a huge part of my preteen and teen years. She was always there for me when I needed someone to talk to and understood me when others did not. I loved going into the office, sitting at her desk, and just talking. She really helped me learn to love the individual that I am, and for that, I will always hold a special place in my heart for Pat. The world has truly lost a beautiful soul.

“ To know Pat was to love her. Her smile was infectious and always light up any room. Anytime we ran into each other we would talk about old times but always never left without talking about how proud she was of the kids. Jack you and Pat were soulmates forever and I know your heart is broken. Remember all the good times you all had together and that Pat is walking in heaven pain free. Hopefully it will help ease your pain. love in Christ, Phyllis Hoffman Floyd
