“ *Praying for your family during this difficult time. We all loved Mrs. Patti K, here at the Blake. She was one of sweetest ladies I've had the pleasure of knowing. She always looked out for other people and made her voice heard. She was among of the first residents to participate in activities and always made them fun! We will miss her dearly but her spirit will always live on.*

“ To the family of Ms.Patty I had the pleasure of meeting this sweet, fiesty, beautiful lady about a year ago when I started working at The Blake.She was of coarse always in the mirror with her makeup.She had to always look beautiful.And she did!! She was always full of love and always told me she loved me and I love her so much.I told her that all the time.I crochected her a bouquet of red and yellow roses.And she loved them and cried when I give them to her.I told her the red roses stands for love and the yellow roses stood for sunshine.I will miss her terribly.And will never forget her.My sincerest condolences to all of her family and friends.
