“ *One of my fondest memories of Ms. Pat was when my nurse friends found out that she was my Dad's lady. They shared so many memories with me. She was so very respected for her volunteer work. Everyone had only wonderful things to say about her. She had a wonderful sense of humor and a contagious smile. She will be missed.*

“ I met Ms Pat when her sweet son Michael was sick on our unit, and was with her when he and later her husband “Big Ben” passed away. Now she’s reunited with them both. She bore those sad burdens with incredible grace and strength, and took that grief and turned it into service. She was the heart and soul of 5South, and we loved her dearly.. Godspeed, Ms. Pat!

“ I will always remember Ms. Pat as the sweetest and most loved volunteer on the cancer floor (5S) at Roper Hospital! She always brought love, warmth, joy, and laughter to our unit. She loved the patients and supported the nursing staff like we were all her children. A great lady has now earned her wings. Fly high, Ms. Pat!

“ There will never be another like you. The baby showers you helped with the best banana pudding ever that you made, hospital visits when babies were born, you weren’t just there for the patients as a legacy to your sweet family but you became ours too. You are missed. You better be with my baby too. Y’all can talk about all the stories of me. Until I see you both again.

“ Oh, Ms. Pat...you were the strength of 5S for so many years! Love, laughter, tears, words of encouragement, love of your Sunday fried chicken, and sweet sweet treats! You will always be missed, but never forgotten. You are a gem and treasure to me & so many that will live on and forever be remembered always, but be so deeply missed.

“ Ms. Pat was a very special lady. As a new grad on 5S many years ago, Ms. Pat encouraged and supported me early onmade sure I felt like one of the girls immediately. She filled the day with laughter, joy, and more often than not.... special home baked goodies for her “girls”. She was what made 5S great when I was there . She will be deeply missed

“ Pat was a true jewel. She was so welcoming and warming, when I first started working at Roper 5S. After losing a son and husband to cancer, she continued encouraging and supporting other cancer patients and their families. God decided to pick his beautiful rose. Love you Ms. Pat until we meet again. My heart hurts.
