You will be dearly missed by all with your always 100 positive attitude. I always appreciated when you would text me that you love me, it would make my day brighter. We didn't see each other that often but I love you dearly and will miss you.

Paul, I was thinking back to when you were just a toddler and I would babysit you. You loved playing with Bubba and Buffie. You would run after them with your little arms flailing and you would laugh and laugh. I loved you then and I love you now. Rest in peace my sweet nephew,
